## ORDER REMOVING RESTRICTIONS ON LICENSE

Licensed to Practice Dentistry  
In the State of New Jersey

This matter was opened to the New Jersey State Board of Dentistry (“Board”) upon the application of Edward Sledge, D.M.D.(“respondent”), seeking to remove restrictions imposed by the Board’s Order of August 26, 2004.

In support of his application to remove restrictions, respondent provided a letter from Louis E. Baxter, Sr., Executive Medical Director of the Professional Assistance Program, which attested to respondent's continued recovery for more than five years. Based on that letter and on respondent's compliance with the terms of Board's prior orders, the Board finds it appropriate to remove the restrictions previously imposed.

IT IS ON THIS 4<sup>th</sup> DAY OF October, 2006,

ORDERED that all prior restrictions on respondent's license to practice dentistry in this State are hereby lifted.
